About

# INFUZE

*The Rush Reborn*

INFUZE derived from the word “Infuse”, symbolizes the act of pouring energy, creativity and hope into every heart it touches. This fest captures the essence of healing and harmony through a dynamic blend of cultural expression, intellectual exploration and soulful celebration. It’s a space where the science of care meets the art of expression, where communities connect, and where purpose finds its pulse.

INFUZE invites students from across institutions to feel this transformation to be infused with purpose, to reconnect with dynamic youngsters, and to celebrate compassion, excellence, and unity in all its vibrant forms. While INFUZE brings together art, intellect and youthful energy, it also carries a deeper purpose. Through INFUZE, we aim to raise funds that will directly contribute to support the deserving cancer patients between the age group of 13-17 years.

Join us, and be a part of this change, because at INFUZE, every step you take, every beat you feel and every voice you raise adds purpose to this celebration.
